Dear Mr. McGimsey;

Thank you for joining our Cooperating Agency meeting last week to discuss the New Fortress Energy Deepwater Port project and Environmental Impact Statement.

Following on from the discussion regarding LA SHOP jurisdiction and type/level of participation on this project, could you please provide us with a letter stating your position so that we engage accordingly with LA SHOP.

Attached is the State Notification letter we sent out in May, included here for reference as it includes the FR notices which describe the project.

Thank you,

Regards,

Galia Kaplan
